## CLRG Covid-19 Recovery Fund Application Form

CLRG is keen to support teachers who need assistance rebuilding their schools and promoting Irish dancing in their community as we hopefully proceed to ease out of the pandemic worldwide. Applications will be shortlisted by the newly formed Outreach and Development Committee and forwarded then to CLRG's Council of Management for final approval.

If you have an idea or program in mind, please write up an application for Covid-19 Recovery Funds that includes the following information in the sequence presented below:

1. Contact Details: Name{s}, address, mobile number, email address
2. Proposal Overview / Summary
  - a) What will you achieve with this program? It is helpful to use numbers in this section, for example, "I am aiming for 100 registrations for local schools."
  - b) How will you go about achieving this?
  - c) Are you attempting to generate an interest in Irish dancing where there was none prior to the pandemic? Or are you regenerating lost interest due to the pandemic?
  - d) Is this a one-time event, a camp of sorts, a sample class or a series of sample classes?
  - e) Apart from dancing, is there another cultural element with this project such as the Irish language?

*Please note the following suggestions and ideas are encouraged:*

- *Non-competitive activities and programs that highlight camaraderie / socialization / friendship, exercise, building confidence, and fun.*
- *Regional, national or international advertising that raises awareness of Irish dancing (such as a promo video that can be distributed).*
- *Festivals that include a non-competitive Irish dance element.*
- *A program appealing to the beginner 'tweenie' Irish dancer (aged 10-13).*
