Dancers Certificate and Diploma Examinations

January 2025 Syllabus

Grade Examinations Scheme

The purpose of the Grade Examinations Scheme is to provide a structured framework within which dancers can progress towards an achievable goal. The syllabus has been designed to provide a strong foundation in Irish Dance by developing a candidate's physical skills, stamina, expression, musicality and an appreciation and knowledge of the traditional dances and culture. It provides a worthwhile sense of achievement for individuals whether they dance solely for health, recreation or competitive reasons or hope to pursue a career in Irish dancing.

Grade examinations are unlike competitions in that each candidate is individually examined and receives a detailed written assessment of their performance and knowledge of the grade being attempted. They are open to all candidates regardless of age and ability.

The scheme consists of an optional Preliminary grade followed by a further 12 grades with each grade becoming increasingly more demanding on the candidate's skill, knowledge and ability. Each grade must be passed and certificate awarded before a candidate may attempt the next level. A dancer who successfully completes all grades will be awarded "The Diploma of the Irish Dancing Commission".

Application for Examinations

Teachers interested in arranging grade examinations for their pupils should contact An tÚdarás Scrúdaithe CLRG at grades@clrg.ie

Applications for examinations should give some indication of the number of grades expected to be taken. Teachers may come together to arrange joint examinations. Examination applications and any enquiries about the scheme should be made to:
