

14th. June, 2021

A chairde go leir,

I hope you are all keeping safe and healthy and keeping yourselves busy.

I am writing to you as Cathaoirleach Craobhacha Rince Náisiúnta na hÉireann with regards to the Irish Nationals 2021 event and to keep you all informed and up to date.

Unfortunately, I have to inform you that due to circumstances beyond our control City West Hotel & Conference Centre will not be re-opening until after 1st.January 2022 and therefore is not available for our event this coming December 17th, 18th and 19th 2021.

In the mean-time we are awaiting confirmation of available dates, but if not suitable, we will be looking at other venues for the running of the Irish Nationals prior to Oireachtas Rince na Cruinne 2022.

In the meantime, keep yourselves, your family and your dancers healthy and safe during the next few months ahead of us.

Regards

Charles Moore

Cathaoirleach Craobhacha Rince Náisiúnta na hÉireann
