- The use of artificial carriage aids is strictly forbidden except in cases of a medical condition where a doctor's certificate may be requested. Any competitor found to be using artificial carriage aids and subsequently refuses to remove same, will be subject to disqualification from that particular competition. Medically prescribed apparatus (proof of which may be required) will be exempt from this ruling.
- In order to comply with the health and safety measures, all dancers lining up side stage prior to any round of a competition will be required to perform the simple exercise of raising arms to shoulder level unhindered. Should, in the opinion of the stage steward, having obtained medical advice if necessary, a dancer be unfit to re dance and if such dancer insists on his/her right to do so then the dancer concerned may be permitted to re-dance on completion of a declaration form exonerating the committee of liability for any consequences.
- Should a dancer lose a heel or a complete shoe he/she may stand back allowing the other dancer, where applicable, to continue dancing uninhibited. In such a case, the dancer concerned will be permitted to redance as soon as it is deemed practicable by the stage steward.
